Subject Matter: Draft Downtown Façade and Building Improvement Program Policy
Department: Operations
Presented By: Katlin Ducherer
GPC Meeting Date: March 20, 2023

Topic: Draft Downtown Façade and Building Improvement Program Policy (Program).

Background: For a city's downtown, one detriment to its character and quality can be building frontage and landscape. The physical appearance of the environment in which we live and work has an effect on residents and visitors. Therefore, a community that is appealing to the eye gives everyone a greater sense of place.

Since the establishment of the Downtown Area Redevelopment Committee (DARC) in August 2021, Administration and the DARC have worked diligently to create a made in Lloydminster Downtown Façade and Building Improvement Program.

Objective: The Draft Downtown Façade and Building Improvement Program Policy focuses primarily on the physical appearance of buildings and landscape located within the downtown core and their relationship to the street view.

The Program is a combination of loan and grant opportunities being made available to downtown Lloydminster private sector property and/or business owners. The Program's purpose is to provide monetary assistance as an incentive to downtown building/business owners to improve the character and physical appearance of downtown City of Lloydminster buildings and landscape.
