

City of Lloydminster Information Report (IR)

Subject Matter: Fire Service 2022 Annual Report

Department: Office of the City Clerk

Presented By: Leigh Sawicki

GPC Meeting Date: March 20, 2023

Topic: To provide the Committee with the Fire Service Annual Report.

Background: The City of Lloydminster Fire Services team consists of three (3) chief officers, one (1) administrative assistant and forty-nine (49) firefighters consisting of both full and part-time members who protect the City and are based out of two (2) fire stations. Operations of the fire service are comprised of four (4) different units: Administration, Fire Prevention and Public Education, Training, and Operations.

The Lloydminster Fire Service provides fire response that is focused on preservation of life, protection of property and the environment. We have shifted from a reactive, response-based focus to a proactive focus built on public education and fire prevention with the goal of reducing injuries, death, and loss from fires and other hazards and will continue to work to improve all components of emergency response.

The Fire Master Plan continues to help align our priorities, goals, and initiatives for the years ahead. These key goals and initiatives are in alignment with the Lloydminster Fire Services support work already underway across the fire organization.

Objective: To provide the Committee with updated information regarding the activities of the City of Lloydminster Fire Service.

Options:

1. That the Committee accept this report as information.
2. That the Committee request more information and that the item be brought forward to a future Governance & Priorities Committee meeting.

Alignment with Strategic Plan: This item is in alignment with the following strategic area: Providing a Safe Community. Providing the Committee and the public with information and detail in relation to Fire Safety helps contribute to a safe community.

Governance Implications: N/A

Budget/Financial Implications: N/A

Environmental Implications: N/A
