Hello,

I'm writing this letter in regards to the Aurora Park.

An all inclusive park would be a great addition to the Aurora Neighbourhood.

We look forward to a place where families can connect with our neighbours in a welcoming outdoor setting.

Aurora park can be a place to enable and encourage children to stay active in a safe environment.

A park would allow us to be present in an outdoor setting, which is proven to reduce stress, improve psychological and social health, aiding in healthy kids development.

Aurora park is one step forward in growing and building a healthy community.

We are in favour of supporting Bylaw No. 5-2016 Map Amendment – R1 – Single Detached Residential District to RD – Recreation District to support the creation of this playground and community space.

Sincerely,

Robyn and Dustin Milne
